Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Wednesday 20 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Occasionally heavy rain easing overnight. Gales possible on coasts.

This Evening and Tonight:
A wet and windy evening, with heavy, persistent rain and gales possible along Channel coasts. Rain easing with skies clearing through the early hours but staying windy and turning colder. Minimum temperature 4 deg C (39 deg F).

Thursday:
Mainly dry and bright with sunny spells throughout the day, with any isolated showers along the south coast. Feeling cold throughout, especially in the strong winds, these easing later. Maximum temperature 8 deg C (46 deg F).

Outlook for Friday to Sunday:
Dry and bright Friday with winds continuing to ease. Unsettled through Saturday and Sunday with spells of rain and snow mixed with drier and brighter periods. Cold with overnight frosts.
